

Introducing

Workable Mobile

You're mobile. So are we.

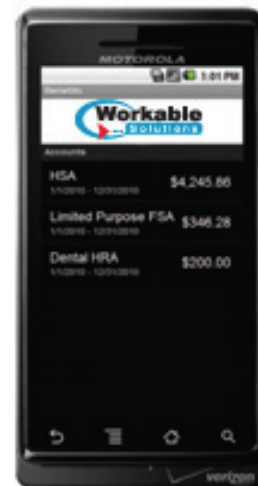

Smartphone integration

Users can now check their balances on the go, in real time on their iPhones or Android phones using our free Benefits app. Just search "Workable Solutions."

Coming soon

The next release will make filing claims a SNAP! Just use your iPhone or Android phone's camera to snap a photo of receipts to submit claims for reimbursement.

No smartphone? No problem. In the next release, you will be able to receive available balances and set up configurable alerts by text message. (Standard SMS rates apply)

Workable Mobile

Quick Start Guide for Version 1.0

Do you have a QR code reader app?

Scan this code to download the Workable Solutions app.

Have an iPhone?

To download Workable Mobile for iPhone OS, follow these simple steps.

1. Visit the App Store and search "Workable Solutions" using the search feature.
2. Download the Workable Solutions app.
3. The app will appear as Benefits on your home screen.
4. When accessing the app for the first time, you will be prompted to enter your Workable Solutions user name and password. Enter the same user name and password that you use to access the online portal via a computer.
5. You will also be prompted to select a PIN number. You will use this PIN number to access the app in the future.

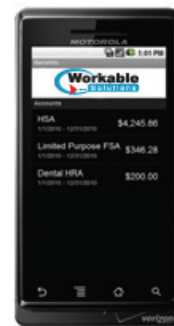

Do you have a QR code reader app?

Scan this code to download the Workable Solutions app. Be sure to select "App Market" instead of browser.

Have an Android?

To download Workable Mobile for Android, follow these simple steps.

1. Visit the Android Market and search "Workable Solutions" using the search feature.
2. Download the Workable Solutions app.
3. The app will appear as Benefits on your home screen.
4. When accessing the app, you will be prompted to enter your Workable Solutions user name and password. Enter the same user name and password that you use to access the online portal via a computer.
